S U C C E S S	Q: How long will it take me to complete this program?
	A: The program is designed to take 15-16 months to complete. 53% of graduates from this program finished in this time.
	Q: What are the chances of getting a job when I graduate?
	A: The job placement rate for students who complete the program is 66.5%. On-time completion is defined by the U.S. Department of Education as anyone who graduates within the normal completion time. When a student completes their graduation requirements, including all theory and practical assignments, and the required number of clock hours contracted for within their original contracted graduation date, that student is considered to have graduated on-time. If a student delays their graduation for any reason, such as family responsibilities, day care issues, and other life events, which causes them to graduate after their original contract end date they are not considered an on-time graduate. Please note that our graduation rates that are provided in the school catalog are based on how many students started the program and how many completed within the reporting period.
